Gentlemen: I am interested in coin collecting and should like to know of a magazine devoted to coin collecting. If you will send me a list of such publications and at the same time any information you may have in print concerning your organization and its work, I shall assuredly appreciate your kindness very much.

Sincerely yours,

David I. Day.

Dear Sir:

Replying to your communication of March 15th, I would suggest your subscribing for a little monthly magazine entitled "The Numismatist" - \$2.00 a year. Mr. F. G. Duffield is the Editor, his address is 1811 Mosher Street, Baltimore, Md.

If you would care to consider the suggestion of becoming an Associate Member of our Society, we should be very glad to have you sign the enclosed membership card and return to us. The dues are but Five Dollars annually, and membership would entitle you to any of our monographs which are issued from time to time throughout the year. I am enclosing a list of previous issues which will give you an idea of the various fields covered in these publications.

Very truly yours,

Secretary
